**Addendum for the first 6 months of 2010**

**Because we are new and opened in the middle of a consignment season, we would like the option of holding over select Fall/winter items that we feel will sell without going on clearance in Jan and Feb. These items will be removed from the floor before the clearance and held for the Fall/Winter season of 2010. This is a one time exception to the consignment contact. You, the consignor, will receive your same 40% share of sold items that are re-introduced on the floor in Late August of 2010. If this is agreeable to you, please sign and date below. Thank you**
